

CONTAINER RANGE

JERRYCANS AND BOTTLES MADE OF PLASTIC

Standard HDPE Jerrycans

2 - 30 litres

In many standard sizes, for a wide range of industrial applications, e.g.:

- **food**
- **cleaning agents**
- **pharmaceutical industry**
- **chemistry**
- **hazardous goods**

- **wide range of approvals**
- **2 - 30 litres volume**
- **various weight categories**

KAUTEX makes your packing concepts real!
We produce cans and bottles according to your requirements whatever the weight, approval, colouring, view strip, embossing, decoration, as well as the type of cap may be.

Standard HDPE Jerrycans

2,0 / 2,5 / 3,0 litres
